General Statement: The Division desires to provide courteous and timely service to all applicants for licensure. To maximize its efficiency and level of service, the Division will process complete applications only. A complete application includes all applicable supporting documents and fees. The fees are for processing your application and will not be refunded. Failure to complete the application and supply all necessary information may result in denial of licensure. Please read all instructions carefully.

Address of Record: The address listed on the application will be your address of record. All correspondence from the Division will be sent to that address. It is your responsibility to directly notify the Division of any change in address. Please note that the address of record is public information and is available upon request and via the internet. You may choose to use a business address or a P.O. Box for your address of record rather than your home address.

It is used as an individual identifier for our licensing database and for purposes of the child support enforcement pursuant to Subsection 78-32-17(3) and is mandatory pursuant to Subsection 58-1-301(1), Utah Code Ann., which implements the requirements of 42 U.S.C. 666(a)(13). An application that does not include a social security number is incomplete and cannot be processed.

Supporting Documents and Fees:

 - If you graduated from a foreign veterinary school, submit a Certificate of Competency issued by the AVMA Educational Commission for Foreign Veterinary Graduates.
- 2. Using the "Request For Verification of License" form obtain verification of licensure from every state in which you have ever been licensed as a veterinarian or veterinary intern.

Request that the verifying state(s) complete the form(s) and mail or fax them directly to the Division, or have them returned to you for submission with your application.

3. Submit the \$35.00 non-refundable application processing fee.
